To top it all off, you can now give your customers a **multi-viewing experience with XtraView**. That's the pleasure of **linking 2 or 3 decoders under one subscription** and only paying a small fee for each of the additional decoders.

So, let your customers enjoy Laliga on the one TV, watch the European league action on the other TV, and even turn up the volume to some jams on another.

SAVE NOW.

Have multiple decoders under one subscription.
