We protect your advantage

The only legal way to show any DStv programming in business premises in South Africa is through a valid DStv Business Subscriber Agreement from MultiChoice. If you know of a venue screening DStv illegally, call the DStv team on **+27 (0)11 289 2289** or email **piracy@multichoice.co.za**.

A digital on-screen graphic is used to identify that the correct subscription is being used and that the connection is legal for the business venue. The on-screen graphic (aka DOG) DStv Business uses for this purpose is a wine glass which appears on the screen in the top right corner for inspectors to see.

Where the icon does not appear, DStv is most likely being screened illegally, and we will take action against these establishments to protect your legal investment so the advantage you get from DStv Business retains its value.

Subscriber Signature Date

This document contains the general terms of use which applies to you when you use our Services. Please also read all the other Agreement Documents which apply to you.

IMPORTANT INFORMATION

Some clauses have an important impact on you. There are some clauses that do one or more of the following:

1. take away or lessen the risks, Liability and legal responsibilities we have towards you;
2. put risk and legal responsibility on you;
3. make you Indemnify us (take on our risk and responsibility); or
4. say that you agree with a statement.

We give you an explanation about why these clauses are important in a block underneath them. Please read the clauses and the bold writing carefully and make sure you understand them.

1. UNDERSTANDING THE AGREEMENT

Some terms have a specific meaning in these Subscriber Terms. All defined terms start with capital letters and you can find their meanings in the body of the Subscriber Terms and in Annexure A ('Meaning of words and phrases'). We also include an explanation of some legal terms and rules for interpreting the Agreement in Annexure A.

2. COMMENCEMENT, DURATION AND TERMINATION OF THE AGREEMENT

2.1. We may accept or reject your Application based on the information you give us. The Agreement and your acceptance of these terms and conditions Starts on Activation (the Activation date is the 'Start Date'). The Term of the Agreement depends on the Package Option you choose.

2.2. Subject to clause 12.5 below, the Agreement is binding to you and Multichoice unless and until either party terminates the Agreement by providing thirty days written notice of termination which it may do at any time.

2.3. The termination of the Agreement will not affect or prejudice:

- either party's rights or remedies accrued during the period prior to termination.
- those rights and obligations which the parties intend, either expressly or by implication will survive termination of the Agreement.

3. THE SERVICES

3.1. Your Services. In exchange for paying us the Fees, we give you access to number of Channels and related Services, depending on what type of Premises you have and the Package Options available to you ('Services'), until you or we end the Agreement as set out in clause 14.5 and clause 25.

3.2. Delivery of the Services. We transmit or arrange for transmission of the Services in different ways. If there is a change in the way Services are delivered which requires you to make changes to your Equipment, we will try to give you reasonable notice of this change.

3.3. Free Channels and promotional trials. We may give you free access to bonus channels, other Free Channels or offer you promotional trials. We may take away or change these channels and trials without giving you notice. We may also change any Free Channel into a paid for Channel or trial into a paid for Package Option, but we will give you reasonable notice about this change and the charges that apply.

4. CHANGING YOUR PACKAGE OPTION

If your Package Option allows, you may upgrade or downgrade your Package Option any time during the Term. We may charge you an upfront payment before making the change. If you upgrade your Package Option, the change will apply immediately, but if you downgrade the change will only apply at the end of your current billing period.

5. OUR OBLIGATIONS

We give you access to the Services and Channels based on the Package Option you choose. We also warrant (promise) to:

- 5.1.** not knowingly include defamatory material or anything which violates any copyright, right of privacy, literacy or dramatic right of any Person;
- 5.2.** obtain necessary licences or approvals from collecting societies or other Persons to broadcast the Channels. We do not promise to obtain public performance licences or pay public performance fees and this warranty is only as extensive as those given to us by suppliers of programme material included on our Channels and by the suppliers of third party channels.

6. CREDIT CHECKS

6.1. Your permission. By agreeing to these Subscriber Terms, you give us permission to assess your credit history and standing. We may use information from (and give information to) outside agencies for this purpose.

6.2. Credit check results. We may refuse your Application or offer you an alternative Package Option based on your credit score. After Activation, we may also manage your account differently based on the results of the credit check, including applying a different Payment Method to your account.

6.3. Waiver. As far as the law allows, you give up ('waive') any claims you may have against us for giving out information about you for the purpose of a credit check.

This clause is important because it makes you give up certain rights you may have. You will not be able to make any claim against us, because we gave or received information about you to do a credit check on you.

7. FEES AND PAYMENT

7.1. Fees and other amounts. The Fees for each Package Option ('Fees') are set out in your Application Form, which may include an upfront payment. After Activation you must pay us a monthly Fee on or before the due date set out in your Package Option ('Due Date') using the Payment Method which applies to you. You are also responsible for all taxes, duties, levies or charges levied by government authorities, related to the Service you choose. You must pay the Fees even if you do not use the Service during the Term.

7.2. Non-payment. If we do not receive payment by the Due Date, we may:

- suspend your Services until you pay us everything you owe us;
- charge you an administration fee, calculated from the Due Date until the payment date; and
- continue to give you access to the Services and you will be Liable for payment of those Fees for the Services.

7.3. Collecting agents. We may use third parties to help collect Fees and other amounts you owe us. These third parties are not our employees, subcontractors, agents, intermediaries or representatives, or otherwise controlled by us.

8. LIMITS TO OUR RESPONSIBILITY

As far as the law allows, we make no warranties (promises) about:

- 8.1.** the availability and uninterrupted access to the Services as the quality of your reception may be interrupted or affected for a range of reasons outside our reasonable control;
- 8.2.** the quality, reliability or accuracy of the content of the Services.

Clauses **8.1** and **8.2** are important. They allow us to give up certain obligations which we may have and make you take on risk, responsibility and Liability. Because of these clauses we are not responsible or Liable if the quality of the Service is affected or disrupted, as far as the law allows.

9. YOUR OBLIGATIONS

You may have added obligations, depending on the Package Option you choose.

9.1. Place of use. You may only receive and use the Services and Equipment at the Premises listed in the Subscriber Application Form. If you wish to add new Premises or change the location of your Premises, you must notify us in writing.

9.2. The Premises. You warrant (promise) that:

- you are carrying on the Business Activity at the Premises at the Start Date;
- the Premises are in South Africa or Lesotho;
- you have and will continue to have all the rights, licenses, consents and clearances in place during the Term, to receive and exhibit the Channels on the Premises, including for public performance on the Premises and will give us proof of this if we ask.

This clause **9.2** is important because it makes you agree that the statements above are true. If you use our Services, you agree that these statements are true and we (and others) may have claims against you if the statements above are false.

9.3. Change of Business Activity. You must immediately notify us in writing (including by email or on our online portal) of any change of Business Activity. Based on this notice we may change your Package Option; the Services you receive or your Fees.

9.4. Content. We are committed to complying with all laws related to broadcasting of the Channels. We will comply with all regulatory requirements and give you guidance where needed and inform you of age restrictions and other conditions which we (or our channel suppliers) or the broadcast authority impose on viewing of the Programmes. You must take reasonable steps to:

- prevent the viewing of restricted material by children below the applicable age restriction; and
- ensure that all adults who may have access to the Services are informed, of age restrictions and other relevant conditions related to the Programmes.

9.5. Additional Obligations and/or Requirements relating to Various Packages

9.5.1. Stay Packages contain general entertainment or movie channels which are restricted by the suppliers to be exclusively for in-room viewing. These packages may not be made available for viewing in public venues. The STAY packages are intended for accommodation type establishments with rooms for sleeping.

9.5.2. Play Packages contain channels which may be viewed in public. These packages are intended for establishments which have common areas where people are eating, drinking, learning or relaxing.

9.5.3. Work Packages contain channels which may be viewed in offices. These packages are intended for establishments which have business offices where people are working.

10. EQUIPMENT

10.1. Ownership. The Decoders, installed at the Premises, belong to you once you have paid us for them in full, but we will always be the owner or licence holder of the software and intellectual property in all Equipment which is proprietary to us.

10.2. Approved Installers. We suggest that you use installers approved by us ('Approved Installers') to install the Equipment. Each installer who you ask to install your Equipment, including Approved Installers ('Installers') acts as an independent contractor. They are not our employees, subcontractors or agents. We and the manufacturers of the Equipment are not Liable for any loss or Damage caused by the conduct of the installer. This includes:

- any direct, indirect, special or consequential (resulting) Damages you may suffer because of any Breach by the installer of any of its obligations to you;
- any loss or damage to your or another person's property situated in the Premises, because of what the Installer did, or did not do.

The Agreement between you and Installers regulates the terms around the installation and maintenance of the Equipment on the Premises. We are not responsible for anything they do during installation.

10.4. Service quality. As far as the law allows, we are not Liable for any degradation (decline) of the quality of the Service which may directly or indirectly result from defects to, or the malfunctioning of, or the incorrect installation or maintenance of the Equipment.

Clause 10.4 takes away certain rights you may have, asks you to take on risk, responsibility and Liability for claims, losses and Damages that we or others may suffer. We are not responsible for decline in the quality of service caused by malfunctioning of, or the incorrect installation or maintenance of the Equipment.

10.5. Manufacturer's Warranty. Your Approved Decoder has a Manufacturer's Warranty, in terms of which you may be entitled to have the Approved Decoder repaired or replaced. This Manufacturer's Warranty applies in addition to any warranties implied by law (such as those in the CPA).

10.6. Keep Equipment connected. Each Smartcard is matched to a Decoder. Please keep the Smartcard in the matched Decoder and the Decoder connected to the mains power supply and to the rest of the Equipment so we can update the Decoder Software by satellite and give you uninterrupted access to the Service.

10.7. Limits to our responsibility. We make no warranty or representation about:

- any defect or malfunction in Equipment which is caused by manufacturing fault;
- defect or damage to the Equipment which is a result of your unauthorised use, tampering, negligence or failure to follow user instructions;
- any use of a Smart Card with any decoding device not authorised by us;
- any component of the Equipment; or
- the installation of the Equipment.

Clause 10.7 makes you accept that we give up some of our obligations which we may have and asks you to take on risk, responsibility and Liability for claims, losses and Damages that we or others may suffer. We do not make promises about the events, items or other things listed in this clause and you take on risk and responsibility for these.

11. THEFT AND DAMAGE TO EQUIPMENT

11.1. Notify us. You must immediately notify us of a damaged or stolen Decoder or Smartcard. We will record the Decoder or Smartcard as stolen or damaged and disable the reception and decryption of the signal to them. This action cannot be reversed and the Decoder or Smartcard becomes unusable.

11.2. Payment of Fees. Any damage or theft will not affect your obligations to pay us all Fees due for the Services. You can still cancel your subscription, as is set out in these Subscriber Terms or your Package Option.

You may terminate your Service if we make any changes set out in clauses 12.1- 12.4 above, unless the terms in your Package Option prevents this. Your Agreement will end at the end of your current billing period or the next billing period if we cannot cancel a payment instruction in time. You cannot make any claim against us for costs or expenses caused by us not cancelling a payment instruction in time.

Clause 12.5 makes you give up certain rights and agree to limits to our duties. If we cannot cancel a payment instruction in time, you will not be able to make any claims against us for the extra Fees which may apply after you have terminated the Agreement.

- update and change the systems related to the Services, including changes to the Technical Systems;

The parts of these Subscriber Terms discussed in the boxes do not apply only to the situations and facts given in the examples or situations described in the boxes, or to similar examples or situations.

The general word or phrase must not be interpreted to only apply to those specific things or things like them.
